Sara,

Attached is the information about the resource request from our Office of Research and Development (ORD). Sincere regrets for the delayed response. ORD did reach out to each of our current National Labs and Centers to collect the information systematically. This took some time.

Dear Annette,

Thank you again for your continued engagement on CECs and sending the prior update. There is an additional request related to this activity on the topic of budget that I am very much hoping you can help with:

Ex. 5 Deliberative Process (DP)

Using the text from the plan excerpted below as a guide, please provide **budget estimates for activities under your programs** listed in Table 3:

Ex. 5 Deliberative Process (DP)

Please ensure your agency budget offices have reviewed and cleared these budget estimates. The budget estimates should be provided back to me **Ex. 6 Personal Privacy (PP)** by August 9, 2019.

Thank you so much for your assistance with this request.

Cheers,
Sara
